

To The Brynteson Family

In Val's passing you have lost a cherished family member and
VP-Forty-Four has lost a cherished shipmate.

Skipper Andy & Beverly Serrell

On behalf of the entire
squadron, who had the privilege
of knowing and serving with
Val, please accept our
sympathy and condolence,
regarding the occasion.

Please accept, also, our tribute to Val as the quiet leader who
contributed so much to the fraternal bond which exists in the
airman's world. Whether on or off duty, he gave a maximum of
endeavor to the profession of flight, to the Navy and to the
country.

Val will not be forgotten and, as he now wings through the
openness of God's kingdom, we know, with assurance, that,
someday, we will ALL meet him again.

Most sincerely,

Andrew Serrell
Captain, USN, Retired
